

2018-as évi ISCO nagynyomású dugattyús pumpa promóció

Description	Part Number	Description	HUF (áfa nélkül)*
1000D pumps			
1000D P&C	671240114	Model 1000D Pump, Nitronic 50. Includes	3 780 817
A1000D	679000217	System A1000 Continuous Flow Air Valve System. Includes two model 1000D pumps, system controller, and 1/4 inch air valve package.	8 594 531
E1000D	679000193	System E1000 Continuous Electric Valve System. Includes two Model 1000D pumps, system controller, and 1/8" electric valve package. This 1/8" valve package may limit flow rates to 132 ml/min depending on viscosity.	8 043 977
500D pumps			
500D P&C	671240522	Model 500D Pump. Includes controller.	3 389 984
500 P&C TCJ	671240311	Model 500D Pump with controller and temperature control jacket.	3 554 528
500 P&C HST	671240604	Model 500D Pump with Hastelloy and controller.	5 358 571
500 P&C HT	671240605	Model 500D Pump Module (only) with high temperature package.	4 091 737
A500D	679000061	System A500 Continuous Flow Air Valve System. Includes two Model 500D pumps, air-valve package, and system controller.	7 370 151
A500D TCJ	671240269	System A500 Continuous Flow Air Valve System w/Temperature Control Jackets. Includes two Model 500D pumps w/Temperature Control Jackets, air-valve package, and system controller.	7 693 345
A500 HST	671240267	System A500 Continuous Flow Air Valve System w/ Hastelloy. Includes two Model 500D pumps w/ Hastelloy, Hastelloy air-valve package, and system controller.	11 525 344
A500 HT	671240268	System A500 Continuous Flow Air Valve System w/ High Temperature Package. Includes two Model 500D pumps w/ High Temperature Packages, air-valve package, and system controller.	8 748 505
E500D	679000192	System E500 Continuous Flow Electric Valve System. Includes two Model 500D pumps, electric-valve package, and system controller.	6 978 987
500HP pumps			

500HP P&C	671240266	Model 500HP Pump. Includes controller.	3 691 980
A500HP	685364023	System A500HP Continuous Flow Air Valve System. Includes two Model 500HP pumps, air-valve package, and system controller.	7 963 321
E500HP	685364024	System E500HP Continuous Flow Electric Valve System. Includes two Model 500D pumps, electric-valve package, and system controller.	7 553 990
		500HV pumps	
500HV P&C	605364017	Model 500HV Pump. Includes controller.	3 389 984
A500HV	685364025	System A500HV Continuous Flow Air Valve System. Includes two Model 500HV pumps, air-valve package, and system controller.	7 370 149
